Subject: RE: MA small MS4 general permit postponement

Hi Thelma,

Please let me know if I should check with the program analyst in RAs for accounting codes?

Thanks.

Thanks, Nancy.

It seems that until the reprogramming is corrected, money for the typesetting request cannot be obligated with surface water money. Since we've been asked to try to get this published sooner rather than later, let me know if there is another account that can be used to fund the publication cost.

Thanks,

Thelma

Thelma -

The op-plan as of today shows surface water having a negative balance. I spoke to Bill Dowd about it and he said a lot of the reprogrammings were wiped out and headquarters is working on the problem to add them back to our balance. Once they are added back Dave has \$5,142.00 available for use.

Thank you.

Estimated cost of the longer FR notice is \$954.

Nancy, is there money for this?

Thanks,

Thelma

Thelma, Nancy, and Lynne,

I know OEP is concerned about the potential cost of the FR notice for the more extensive notice that HQ wants to see. Can you please let me and Ken know the specific estimated cost and the impact on the overall OEP budget for the remainder of the year for FR notices. The RA's Office may have some funded if we need it to get this out.

Thanks,

Art

Deb knows she needs to sign, but I don't think she's seen the text. So makes sense to send her the latest version as a preview.

Ken
